FURTHER PAPERS.

Department.	Number.	Series.	Date.

Ref. C. No. 2272/54.C.

Project Executive Office, S.V.,
Mangalore, Dated 20-5-1955.

From
Sri. H. Narasimha,
Project Executive Officer,
South Kanara, MANGALORE.

To
The Director of Community
Development, MADRAS.

Sir,

COMMUNITY PROJECT--South Kanara--Artificial Insemination
Centre, Mangalore--Electrification of the building--
Diversion of provision--permission--Requested.

Ref: From the V.A.S. Mangalore No.21/55, Al. Dt. 1-5-55
received with Dt. Vety. Officer's Endt. No.
1950/54, Dt. 8-5-1955.

--

The Vety. Asst. Surgeon, Mangalore who is
in charge of the artificial Insemination Unit attached to
the Vety. Hospital, Mangalore has stated in his letter
cited that the building constructed for the location of
artificial insemination unit may be fitted with Electric
wires, bulbs etc. for providing light to the centre. The
District Vety. Officer, South Kanara has also recommended
the proposal. A copy of the letter from the Vety. Asst.
Surgeon, with Dt. Vety. Officer's Endorsement is enclosed
for kind perusal.

In the scheme sanctioned in G.O.Ms.No.1622 Pub.
R.D.P. Dept. Dt. 11-9-54, there is no provision to electrify
the buildings. The approximate cost of wiring to the buildings
to connect ~~the~~ electricity is stated to be about Rs. 400/-
only. This expenditure can be met from the savings under
other items included in the scheme sanctioned in G.O.Ms.No.
1622 Pub. R.D.P. Dept. Dt. 11-9-1954. Only a sum of Rs.
2456-3-6 has been spent for the purchase of 3 Sindhi bulls
for the insemination centre for which a sum of Rs. 3,000/-
was provided in the G.O. referred to above. The savings under
this head alone will be sufficient to meet the additional
expenditure now recommended for electrifying the centre.

I, therefore, request that the Government
may be pleased to sanction the expenditure of Rs. 400/-
and permit the diversion of funds as proposed, so that
the centre may be furnished with electric lights early.

Yours Faithfully,

H. Narasimha
Project Executive Officer

SUB: ARTIFICIAL INSEMINATION CENTRE--Vety. Hospital, Mangalore
Electrification of the Building--Early action--Requested
--

The building for the artificial Insemination Centre at Mangalore, will be finally completed and handed over to ~~xxx~~ us within about a week. As there is no provision for the electrification of the building and as electric current is absolutely essential for all laboratory work, I request that electric wiring to the building may kindly be done urgently and that the Mangalore electric supply company may be address to give the necessary connection from the hospital connection or from the lines direct.

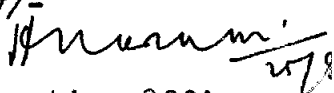

The wiring to the building may not cost more than Rs. 400/-.
